

"Our Neighborhood" - Join Us To Support Community Activities

In the recent years we have successfully dealt with a number of central issues proving that we have the ability to influence the quality of life in our area – the master plan, preserving the historic city, the center for green living at the nature museum, campaigns about the Colony Hotel, the Jerusalem pool and much more. We need larger resources to finance these activities. To continue to work and advance the issues that are important to us all and to better handle the challenges and threats

Do You Want To:

Strengthen the communities input on the Colonies' master plan?

Preserve the historic city?

Promote "City Green" the center for green living at the Nature Museum?

Expand children's activities in our area?

Strengthen pluralism in our neighborhoods?

Support youth programs including the MaraTani Chain- of- Giving?

We call on you to join the new community initiative "Our Neighborhood" – the community of Ginot Ha'Ir's neighborhood activists, and to financially support the promotion of community activities that are important to us all. Together we will work as a community of thousands of residents with financial and organizational abilities that will enables us to promote together issues important to us.

What will you get in return for finically supporting "Our Neighborhood?"

- A report of the activities in the community sent every two months
- Discounts on a wide range of activities at the community council
- A sense of partnership and community giving
- The ability to be part of promoting issues important to you

How do you join and provide financial support?
