### **HaZefira 27**

As you know the plans for a girls school and changes in traffic arrangements and parking on HaZefira St. have been submitted for objections (notices on the site). Last date for submission 13.6.19.

In order to prepare for the discussions in the district council we have to do our homework and prepare an impressive show. It is our last chance! We need volunteers to prepare relevant material, such as, short films (upto 2 minutes) and pictures of traffic on HaZefira St at 8 o'clock in the morning. (Before the end of the school year)!

Thanks to all for your cooperation and I invite all members of the forum to participate in the important work of the forum. An active and wider forum can only be to our advantage.
